

THE RASCAL SWING BAND

The Rascal Swing Band is one of Denmark's best bet on a new and refreshing String Swing Orchestra

Although the band is new, the members all knew from other bands famous in Denmark such as The Dixieland Gipsy Band, Lillian Boutté, Burich-L'etienne NO Ensemble, PS Swing Band and many others. In these constellations, the band's musicians performed at festivals and clubs in Denmark, Norway, Sweden, Germany, France, New Zealand, USA, Mexico etc.

The music is happy and outgoing swing music that entertains, but never compromise on quality. With roots in the 30s and 40s music and inspired by names such as the Danish violinist Svend Asmussen, Django Reinhardt, Louis Armstrong and Duke Ellington the band creates a gripping concert. Good and well-known melodies, a solid swing and intense solos form a fascinating breathtaking experience and ensure a happy and satisfied audience.
